

# Upton Country Park

Welcome, we have over 100 acres of award-winning gardens, woodland, shoreline and parkland for you to enjoy. Spend an hour or spend a day, there's something for everyone!

Our Tea Rooms offer a wide selection of delicious treats, whilst our seasonal Plant Centre stocks the highest quality produce for you to enjoy.

The Country Park is also home to Upton House, a Georgian mansion with Grade II\* listing which is often open for House Tours. Its grand reception rooms are available to hire and a popular choice for business meetings, weddings and celebrations throughout the year.

Visit our website for more information:
