

Making Sherborn Crescent Open Space better

This map shows how Sherborn Crescent Open Space will be maintained in 2025.

Where grassed areas are used for sports and recreation, we will cut grass regularly (dependent on weather and ground conditions).

All other grassed areas will be managed to support our local nature and biodiversity, which means the grass in these areas will not be regularly cut.

Tell us what you think

If you want to tell us about the benefits or issues you have seen, we will listen to your views and review all comments.
